## Note

The above released schedule is the final program schedule of IEEE ICECCT 2019. There will be no changes in the schedule allowed. All the authors are requested to adhere the schedule very strictly and present themselves at-least 15 minutes before the session. **Further queries on the program schedule shall be directed to Prof. Venkateshkumar S @ (+91)9003646769.** Registered authors shall plan their travel to Coimbatore as per the above program schedule. For support related to accommodation, local travel and excursion, please contact us.

Though the papers have been accepted after initial screening by technical program committee (TPC), technical review by international review committee experts and also plagiarism check by TPC, all the registered papers will once again be checked for plagiarism before submitted to indexing in IEEE Explore. Papers found plagiarized at this stage will not be forwarded to IEEE Explore. However, the corresponding author(s) will be intimated in advance. Hence, authors must take sole responsibility for the originality of their paper.

For all three days, dining will be open from 12.00 noon – 2.30 pm for lunch. Authors are requested to manage themselves according to the program schedule.

**For certificate and identity card purpose, authors and participants are requested to send following details to [icecct2019@gmail.com](mailto:icecct2019@gmail.com). Authors may miss their photos in the certificate and ID cards if they failed to send the required details before the deadline.**

Paper ID

Full name of all the author(s) in capital letters

Designation and affiliation (Name of the Institution / Organization)

Latest high definition passport size photograph (file name must be author name)

Indicate name of the authors who are going to physically present the paper.

Hotel booking assistance for accommodation (if needed)

Willingness for excursion to Ooty hill station on 23-02-2019 (Saturday)

For excursion on 23 – 02 – 2019 (Sunday), interested authors are requested to convey their willingness to Prof. B. Sridhar @ (+91) 99527 24497 well in advance. Participants need not to pay for excursion, it will be covered by ICECCT. However, food and other expenses shall be met by the participants.

Camera ready papers which have not been approved by IEEE pdf express website will not be published in IEEE Xplore.

**Participants from overseas are requested to share your travel plan and schedule during your stay in India to the conference chair by mailing to [icecct2019@svsce.edu.in](mailto:icecct2019@svsce.edu.in). ICECCT will be very happy to assist you during your trip.**
